

2010 Civic Involvement Report

2010 Calendar Year General Mills political expenditures

As a corporate citizen, we occasionally support the legislative process by contributing prudently to state and local candidates and political organizations when such expenditures are permitted by federal, state and local law. We recognize the importance of accountability and transparency for our political expenditures. [Our policy](#) describes our approval process for using corporate funds for political expenditures. The Public Responsibility Committee of our Board of Directors reviews our policy, and we disclose all direct political donations.
